Re: CCRTIS Accreditation

BLS International Services Canada Inc. has successfully completed the Canadian Criminal Real Time Identification Services (CCRTIS) accreditation process, which authorizes your company to take and submit civil fingerprints electronically for Criminal Record verification (non-criminal purposes only) to the Real Time Identification (RTID) system from the following location:

10 Gillingham Drive, Unit 109C, Brampton, ON L6X 5A5

The CCRTIS Accreditation Program assesses the security and administrative operations of private fingerprinting companies that intend to take fingerprints for non-criminal purposes. Upon completion of the accreditation process, periodic auditing measures may be conducted to ensure that your company continues to process civil fingerprints in accordance with CCRTIS Accreditation Policy. BLS International Services Canada Inc. must comply with the Accreditation Agreement in order to maintain accreditation as a Private Fingerprinting Company. BLS International Services Canada Inc. is certified to operate as an Affiliate of The Canadian Corps of Commissionaires, and is authorized to submit electronic fingerprint transactions (non-criminal purposes) to CCRTIS via the Canadian Corps of Commissionaires server.

We look forward to working with your company to uphold the quality and integrity of non-criminal fingerprint identification services in Canada.

Sincerely,

Ste-
