

CERTIFIED COPIES OF IDENTIFICATION

This is what a certified proof of identity document should look like:

Copy of document that identifies you. (i.e. your passport or driver's license - front and back)

Write or stamp "certified true copy" of original document

Have the authorized person sign the document

Authorised person's stamp and registration number
(If applicable)

Name, qualification, Phone number and address of authorised person, and

Date of authorisation
